# P-TECH Advisory Board Meeting

## Minutes

---

- Mrs. Hobbs intends to send flyers home the week after Christmas break. Stacer Group will provide a design.
- Q1 WBL Coordination:
  - All Programs:
    - Career Readiness – March 26<sup>th</sup> between 9am and 2pm, 10<sup>th</sup>/11<sup>th</sup> Grade – **TWS**
      - Ethan (TWS) confirmed date. Activities will be Resume Writing for 10<sup>th</sup> grade and Mock Interviews for 11<sup>th</sup> grade.
      - Mrs. Hobbs needs to figure out if welding and nursing students will be available at the same time.
      - Prefer to do all 10<sup>th</sup> grade (nursing & welding) together first session and all 11<sup>th</sup> grade (nursing & welding) together in second session.
  - Nursing:
    - Info Interview - February 19<sup>th</sup> at 11:00am, 9<sup>th</sup>/10<sup>th</sup>/11<sup>th</sup> Grade – **FPACP? PRH?**
    - FPACP and PRH were not in attendance. Stacer Group to coordinate activities with them separately.
  - Welding:
    - Info Interview – February 19<sup>th</sup> at 9:30am, 9<sup>th</sup>/10<sup>th</sup>/11<sup>th</sup> Grade – **Campbell's? Priefert?**
    - Campbell's and Priefert were not in attendance. Stacer Group to coordinate activities with them separately.
- General Discussion
  - Any program needs?
    - Mr. Nichols stated that the welding program only has 7 welding hoods, the largest class has 12 students. May need some additional gloves as well. He will send brand of both hood and gloves to Stacer Group.
  - Partner Discussion
    - Attendance is an issue in the workplace.
    - Turner Industries mentioned focusing on basic math and reading tape measures for welding students.
    - A focus on safety could benefit students in a programs.
    - Turner Industries specifically needs new hires with TIG welding experience.
- Next Meeting Date
  - Date will be coordinated and sent out after next leadership meeting on February 5<sup>th</sup>.
